EXPECT 1300 AT COUNCIL ANNUAL MEETING

Announce Plans For January 26 Affair

Plans for the Annual Meeting of the Chicago Area Council to be held on January 26, 1963 at McCormick Place have been announced by **Saul L. Corush**, general chairman. Highlights of the business portion of the day's program will include meetings of all council operating committees, a special meeting of the key three leaders from all districts, a council Public Relations Committee meeting and a conference of Institutional Representatives. A ladies' reception and tea for the wives of Institutional Representatives and Council Members at Large will be held in the afternoon. The Annual Dinner will climax the day's activities with the installation of newly elected officers and the presentation of Silver Beaver and Wood Badge Training Awards and a special tribute to unit leaders and their ladies.

Campaign Plans On Schedule

RECRUITING ON TIME FOR MARCH 16

The 1963 Finance Campaign is under way! The Projects Division, **Irving Crown**, chairman, kicked off November 28 and the Reserve Memberships Division, **Charles R. Walgreen, Jr.**, chairman, kicked off December 5.

The district campaigns will kick off with the Special Memberships phase on January 23 and Major Memberships, January 25. These two phases of the district campaigns, in 25 community areas, are an important factor in council's over-all campaigns.

At this date we have met and are a bit ahead of the time schedules we have set for the 1963 drive for operating funds. **Let's maintain this fine record!**

Reserve Membership leaders (left to right) C. R. Campbell and Comdr. David Goldenson, vice-chairmen; Bryan S. Reid, Jr., council campaign chairman; Charles R. Walgreen, Jr., chairman and A. L. Starshak, vice-chairman.

Eagles To Explore Vocations

John D. deButts, president of the Illinois Bell Telephone Company and member of the Chicago Area Council's executive board, is the chairman of the Eagle Recognition Dinner committee. The dinner has become an annual event. Young men who have attained the Eagle rank in Scouting during the year ending December 31, 1962 indicate the vocation that interests them and outstanding men in industry and the professions become sponsors.

The 1963 banquet will be served at the Palmer House February 7. During the day, each of the 175 Eagle Scouts of the combined 1962 spring and fall courts of honor, will spend the afternoon at his sponsor's place of business learning the fundamentals of that particular vocation.

HAPPY NEW YEAR

Those many, many week-ends
 You could have lolled at ease
 A-tinkering in the basement
 A-doing as you please.
 Instead, why Mr. Leader,
 You chose to take them out
 A-camping and a-learning
 the ways to be a Scout.
 You made the trip because you knew
 That from the things you taught
 Within the soul of every Scout
 Good character was wrought.
 The men who lead tomorrow
 This sad world build today
 Must be of moral fiber
 That evil cannot sway.
 And with your Scouting program
 You mold this kind of lad
 Who having grown to manhood
 Will practice good, not bad.
 Continue with this mission
 Your Scouting's not yet done,
 Till many more have camped with you
 The battle's not yet won
 To all you Calumet Leaders,
 Who keep our nation free,
 May health and all that's good be yours
 In 1963.

DEAR ADULT SCOUTER OF "DYNAMIC" LAKE SHORE DISTRICT

We are most grateful to you who have furnished the leadership and hard work needed to bring scouting to our boys. Your efforts and determination have brought better Scouting to more boys in 1962. It is our hope that you will continue your efforts in the challenging years ahead.

The philosophy of bringing better Scouting to more boys is based on the unswerving confidence that the future of our nation, and our world, lies in the youth of today and the strength of their moral fiber tomorrow. They have come your way—and through Scouting you have built a better boy.

Your partnership with our youth should be a source of inner satisfaction. You may be justly proud of the fine job you have done.

Sincerely yours for a happy new year.

SCOUTING IS 53 YEARS OLD YOUR PACK CAN TELL THE STORY—HERE'S HOW

IN YOUR SPONSORING INSTITUTION

Let your sponsoring institution know about Boy Scout Week, February 7-13, and your Cub pack's accomplishments and activities for the year. Use your sponsoring institution's bulletins and billboards. Have live demonstrations showing Cubbing in action, or arrange to take part in a regular meeting or program of the sponsoring institution. Plan to hold a report ceremony at a regular meeting of the governing body. Recognize institutional leaders and arrange to have them recognize some of the Cubs and leaders in your pack.

IN THE SCHOOLS

Remember that all Cubs attend some school, and even if your pack is sponsored by a church or civic group, the school nearest your institution, or the one your boys attend, is an ideal place to use displays and show how Cubbing serves boys. It is also an opportunity, through the use of the bulletin boards and school programs as well as displays, to interest new boys and parents in your Cub pack. Use your imagination. The sky is the limit.

PARENTS' NIGHT—OPEN HOUSE

What better way is there to encourage Cub Scouts to participate in a celebration of Boy Scout Week than by having them and their parents take part in a Blue and Gold program? Regardless of your plan, remember that it has to be fun for Cubs as well as their parents. Be sure that your Cubs and their parents invite friends and neighbors who might be interested in Scouting. For complete plans for a Blue and Gold dinner see the Cub Scout Program Quarterly, pages 20 and 21 of the 1962-63 winter issue.

SCOUT WEEK GOOD TURN

Every Cub pack is encouraged to do a Good Turn for its sponsoring institution during Boy Scout Week. A few ideas to stimulate your thinking would be to act as ushers on Scout Sunday, raise and lower the flag, visit or send flowers to shut-ins in the neighborhood. Be sure that Cubs taking part in your Good Turns are properly uniformed.

TOOLS TO HELP YOU

"CELEBRATING BOY SCOUT WEEK," a special book, will assure a well-rounded anniversary program. It's filled with ideas and is available from the Scout Trading Post for only 35¢. The OFFICIAL BOY SCOUT WEEK POSTER is also available there for 15¢ each.

Be sure to read the winter issue of the PROGRAM QUARTERLY for many more ideas on Boy Scout Week activities. Extra copies are available from the Trading Post.

SCOUT SUNDAY OR SABBATH

Cubs in your pack should take part in the Scout Sunday or Sabbath programs in the church or synagogue of their choice. As an added feature, special full color bulletin stock for use on Scout Sunday or Sabbath may be ordered through the Scout Trading Post. Please allow two weeks to process your order. As always the best public relations for Cubbing are a Cub taking part in a program, in uniform.

UNIFORM DAY

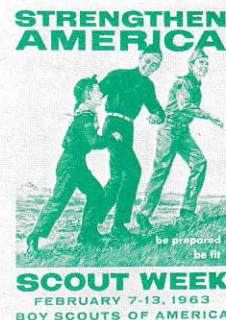

As an added highlight Cub Scouts all over America will be wearing their uniform on Friday, February 8. Cubs should wear their uniform to school and all during the day. February 8 has been set aside as the time when Cubs, Scouts and Explorers traditionally rededicate themselves to the ideals of Scouting. Perhaps each den could plan its weekly den meeting for February 8 and take part in this dedication to the principles of Scouting at a den meeting.

DISTRICT WINDOW CONTEST

Boy Scout Week is one of the three best-known weeks in the American calendar. Every unit, every Cub pack in the Chicago Area Council is encouraged to have a physical fitness window display in a neighborhood store during Boy Scout Week. For details on the contest see page 7 of the COUNCILER.

FITNESS POSTER CONTEST

Each Cub pack should conduct its own contest using physical fitness as its theme. Each den should select a poster and enter it in the pack's competition during the month of February. Winning pack posters then should be entered in the district competition. See page 7 of the COUNCILER for details. Posters which have been eliminated can be displayed on school bulletin boards or in shopping center windows.

HERE IS HOW YOUR TROOP CAN CELEBRATE SCOUTING'S 53rd BIRTHDAY

UNIFORM DAY

Boy Scouts in every city and community in the United States will observe February 8 as Uniform Day. This day they will wear their uniforms to school and take part in rededication ceremonies. Why not have one of your committeemen arrange with the school principal to have an opening or closing assembly during Boy Scout Week with the Scouts taking an active part in the program? Perhaps you can arrange for one of your Eagle Scouts to give a five minute talk on "What Scouting Means to Me," or "Physical Fitness and Scouting."

PARENTS' NIGHT—COURT OF HONOR

Make Boy Scout Week a high light in your troop's program by holding a full Open House during Boy Scout Week. This can be an evening of fun, fellowship, and feasting (if possible). All troop members, their parents, leaders, heads of institutions and especially Scout-age friends and their parents should be invited. Your program for the evening should be basically Scouting, served up in such a manner that all present will enjoy it. It can be an occasion for your Scouts to "show their stuff" in an exciting and dramatic style, so that parents will be happy to see their sons involved in the movement. Leaders, sponsoring institutions, officials and all present should be enthusiastic about their relationship with Scouting and the evening should be designed to make prospective Scouts want to join.

Here are a few things you might want to include in your planning. Be sure to set the date at least one month in advance. Develop an invitation list and include if possible a court of honor and a significant closing and opening ceremony. Be sure that there are plenty of Scout displays and not just handicraft exhibits for the visitors to see. Somewhere during the evening be sure to show how Scouts are physically fit to serve in any type of emergency. For complete details see the Winter Boy Scout Program Quarterly, page 14.

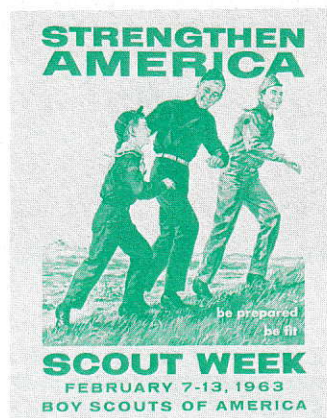

GOOD TURN TO SPONSOR

Discuss this with the head of your institution or your institutional representative. What better way is there to say thank you for their support? Be sure to include a certificate or plaque for the institution. Recognize the officers of the institution at a meeting or during a church service. It wouldn't hurt to have the officers of the institution also plan a thank you for the leaders of your troop.

SCOUT SUNDAY FEBRUARY 10

All Scouts are encouraged to attend the religious services of their choice on Scout Sunday or Scout Sabbath, in uniform. If your unit is sponsored by your church, contact your pastor or rabbi and suggest to him that a Scout service at this time might be appropriate. Plan to have all Scouts par-

DISTRICT-WIDE ACTIVITIES

Window Display

Put Scouting on display in your neighborhood. See page 7 for complete details on a window display, but be sure to keep in mind that to be eligible for an award you must register your window in advance. The theme for Boy Scout Week is "Strengthen America, Be Prepared, Be Fit." Physical fitness will be the Scout Week emphasis. Start now to plan for your window.

Street Corner Display

There will be a special award for Scout troops planning a special live demonstration on street corners during Boy Scout Week. A few hints as to what your unit might do can be obtained in the Boy Scout Winter Quarterly; however, building signal towers, first aid demonstrations, cooking demonstrations or Scout skills are always popular.

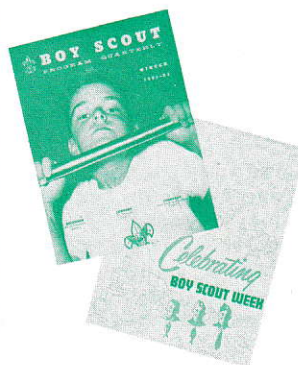

Vacant Lot Camp-out

Your unit can help prove that Scouts are physically fit by planning a winter overnight camp-out in a nearby vacant lot, playground or other area which is readily accessible to the public. Once your unit has registered you will find that this unique camp-out will stir the imaginations of not only your Scouts but of the parents and boys who might want to join Scouting. Keep in mind that your campsite will be open to the public for inspection at all times. Special reprints of Boys' Life Magazine on Winter Camping and the Camping merit badge book as well as the Scout Handbook make ideal resource material for winter camping.

TOOLS TO HELP YOU

"CELEBRATING BOY SCOUT WEEK," a special book, will assure a well-rounded anniversary program. It's filled with ideas and is available from the Scout Trading Post for only 35c. The OFFICIAL BOY SCOUT WEEK POSTER is also available there for 15c each.

Be sure to read the winter issue of the PROGRAM QUARTERLY for many more ideas on Boy Scout Week activities. Extra copies are available from the Trading Post.

BOY SCOUT WEEK HELPS FOR EXPLORER UNITS ONLY

HOLD A PLEDGE NIGHT

Explorer posts, ships and squadrons will observe February as pledge month and will be hosts to the parents of prospective members, their parents and representatives of sponsoring institutions during a year in review program. Your unit can participate by selecting Explorers to visit schools, civic organizations and church youth groups telling the story of Exploring as part of Pledge Month. The distribution of Explorer pledge cards at the end of these meetings will indicate boys interested in becoming Explorers. Complete information on how to hold a pledge night is available in the winter issue of the Explorer Quarterly.

EXPLORER SPEAKERS

Your Explorer unit can be put on the map this February by providing to your sponsoring institution or local school or civic groups well-trained, well-uniformed Explorer speakers. They can use the Scout Week theme or related stories of Scouting or Exploring experiences. Be sure that the speakers emphasize such subjects as "Fit For Tomorrow," "Character Counts," and "Explorer Fitness." Adult members of your post, ship or squadron may also wish to make their speaking talents available, or there may be a combination of adult and boys presenting a specific subject. The ideal place for your unit to sell "Exploring" is during a special school assembly program or at a meeting of a neighboring church youth group. Use February and Scout Week to promote Exploring.

WINDOW DISPLAYS

Explorer units again this year are urged to take part in the Scout Week Window Display Contest. For complete information and rules see page 7 of the COUNCILER, and be sure to emphasize Explorer fitness, activities, high-adventure and co-ed activities.

OPEN HOUSE

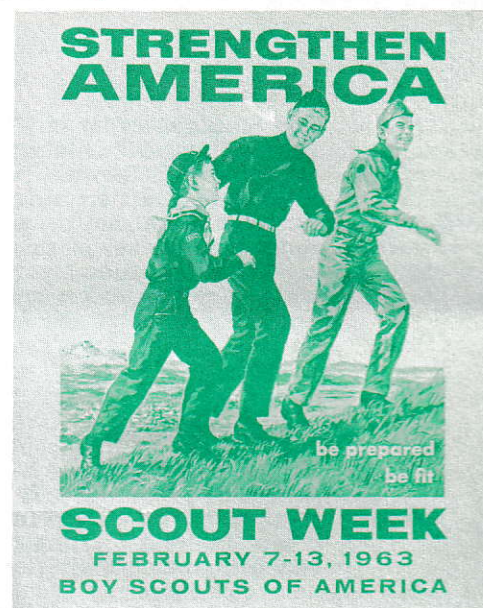

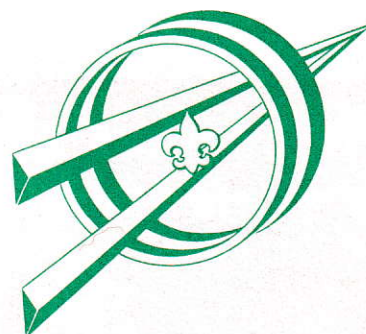

Your unit can plan an Open House during Scout Week. This is an ideal time to show parents and prospective members just what Exploring is all about. Be sure to include a segment describing your year in review. Show what you did in 1962 and tell of your plans for 1963. Special emphasis should be put on bringing potential members to your Open House program along with their parents.

SCOUT SUNDAY

Emphasize the Scout family on Scout Sunday. Contact the head of your sponsoring institution or nearby church or synagogue and suggest to him a Scout service on February 10 with Explorers and parents participating as a group.

SHOW YOUR SPONSOR

Let your sponsoring institution know about Boy Scout Week and your post's accomplishments and activities. Use institutional publications and billboards. A live demonstration may be possible outdoors or indoors. Arrange to take part in a regular meeting of the institution, holding a report ceremony and recognizing institutional representatives. Arrange to have your sponsoring institution recognize some of your Explorers for outstanding accomplishments.

SUPER SPECIALTY DISPLAY CONTEST

Explorer groups having a specialty or a program interest can enter a display in the Explorer Specialty Displays. Basically the display should show the super type of activity your post, ship or squadron has taken part in, or is planning. To be eligible your unit must register its display with the district. See details on page 7 of the COUNCILER. Only those Explorer displays located in schools or other places where teen-agers assemble will qualify.

GOOD TURN

Scouts are famous for their Good Turn program. Why not plan a special Good Turn for your sponsoring institution or the people in your community?

Along the Scouting Trail

By ALDEN G. BARBER

The beginning of the New Year is a time of inventory . . . to take stock of our progress and to analyze our resources for the task ahead.

We have made progress in 1962 and may I take this means of thanking each of you who have helped us to:

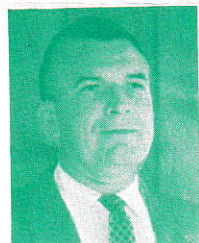

1. Achieve a gain in both boys and units as the first significant step in the Years of Decision plan.
2. Complete Yorkville, the first unit in our camp development program.
3. Place new emphasis on quality unit program with the Achievement Program.
4. Launch our new one-day finance campaign in the Districts of the Council.
5. Plan a Scout Fair and a Gang Show as basic elements in a forward-looking activities program.

Saturday, January 26, is our Annual Business Meeting at 2:30 p.m. and Dinner at 6:30 p.m. at McCormick Place, when we analyze our resources. We hope you will be with us then to plan for an exciting future!

Best wishes for a very happy holiday season!

New Director Named

Warren C. Powers, assistant Scout executive of the Allegheny Council, has been appointed to the post of director of Exploring.

Warren C. Powers

Mr. Powers will devote full time to the advancement of this increasingly important phase of the complete Scouting program. Mr. Powers has had an extensive career with the Boy Scouts of America, commencing in 1941 in Manhattan as a field Scout executive. He has also served

as assistant Scout executive in Middletown, New York; as Scout executive in Morristown, New Jersey and as assistant director of finance for the Greater New York Councils. He has been assistant director in the camping department at the Philmont Scout Ranch. Since 1956, Warren Powers has been assistant Scout executive of the Allegheny Council, Pittsburgh, Pa.

Exploring in the Chicago council has taken on fresh impetus and interest among the older boys due to the appealing character of a dynamic new program. All signals are "Go."

Unit Fund Raising

Many Scout units in the Chicago Area Council have been desirous of obtaining information concerning approved fund-raising programs. A list of organizations who have special programs for groups raising money have been investigated by the Finance Service. This list, together with an application for fund raising, is available by calling Finance Service at the Scout Service Center, 782-3990. A special program concerning the collection and sale of newspapers has been devised and would be of interest to units who raise money annually for equipment by this means.

Adult Education Plans

Council's education service announces May 4 as the corrected date for the eagerly awaited Scout leaders' showando. One word describes the responsibility of both instructor and student . . . one shows how to approach whatever project is being studied and the other goes into action. Many factors make showando an assured success . . . it's an outdoor activity, it's fun, it's worthwhile knowledge to carry back to the unit and the setting is superb!

The May 4 showando will be attended by Scoutmasters, assistant Scoutmasters and troop committeemen at the Valley View Training Center. Scouters invited to Valley View enjoy to the fullest the beautiful sylvan retreat about 16 miles southwest of downtown Chicago.

Also announced, well in advance, are the dates August 17 to 24 for a Junior Leaders' Training Course. Each of the 25 council districts will select only 2 top boy-representatives for this highly specialized course. The purpose is to train patrol leaders and assistant patrol leaders so they may assist in the training of junior leaders when they return home.

To qualify, a boy must be at least 13, of First Class rank and show leadership ability.

Camping Notes

A winter wonderland awaits troops and Explorer units **within minutes of every district of the Chicago Area Council!**

Winter is the time to take a day hike to Kiwanis, Fort Dearborn or Harrison. Camps at Yorkville and Crete offer fine settings for a planned week-end or day experience.

A limited number of cabins are available on a preassigned district basis at Camps Kiwanis, Harrison and Fort Dearborn. **Make a reservation through your district camping chairman!** Unused cabins are on a first-come basis to units three weeks before a week-end and reservations are made at council's office. A permit is required for an all-day hike and campout on council property. Check your new Manual of Camping Information. Now is the time to submit the unit's 'hold-a-place' summer campsite reservation . . . \$20.00 will do it!

Scout Fair Plans Set

A target date, early in January, has been set for the issuance of a comprehensive Scout Fair guidebook, which will be mailed to unit leaders.

John G. Sevcik, chairman of council's Scout Fair committee, says his committee is gratified by comments throughout the 25 Scout districts endorsing this council-wide event.

The guidebook becomes of first importance during the unit's planning discussions. Meticulous care has been exercised in its preparation since there will be many questions regarding booth space, provision for electrical outlets, ticket sales and unit commissions to be earned.

The mammoth display of **Scouting in action** will be staged May 17, 18 and 19 in the International Amphitheatre. Don't delay your unit's plans to participate.

Achievement Program

As 1962 draws to a close many Scouters ask themselves, "How can we measure our success during the last year?" Perhaps the best measure for any unit to use would be the Do Your Best for America achievement program launched at the first of this year. In brief the five point program deals with charter renewals, obtaining new members, rank advancement, outdoor program and quality performance. **Bryan S. Reid, Jr.**, president of the Chicago Area Council, said "These five points are instrumental to good management of Scouting. Qualify your unit in 1963!"
